

What does Fairview Village Helping Hands cost?

Fairview Village Helping Hands has been developed as an alternative for those who need help to continue living independently in their home.

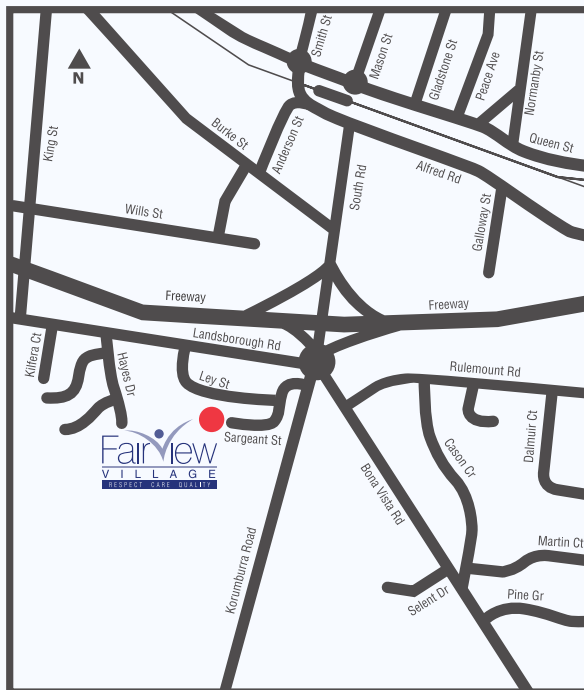

The services of Fairview Village Helping Hands are provided on a user pays, fee-for-service basis.

Fairview Village Helping Hands services can be tailored to your specific circumstances and budget so that you receive effective support at an affordable price.

For further information about fees and the “bundling” of service delivery please contact the Fairview Village Community Care department on 56 232752.
